Let Every Man Educate Himself

Daniel Webster

"Every man must educate himself." Daniel Webster's quotation, set above the stage at East High School, challenges every member of the student body to do his "own thing" in education by becoming involved in a process of self-education. Books, teachers, classmates, the mass media, participation in school athletics and activities, added to enthusiastic school spirit—all become a part of our total self-education.

Actively engaged in preparing to be loyal citizens of the future, we are learning to form intelligent opinions and resolutions about the current problems of the Vietnamese conflict, student revolt, racial prejudices, overpopulation, the abuse of drugs, and many others. But we must do our own learning, for no one else can do it for us.

Let us remember that, although we are living in an age of constant change, that sometimes obscures a clear perspective of things, there is a better side to life, and our generation, more than any other, is given the opportunity to experience that good life.

Our "Age of Aquarius", a time of peace among nations, may be near, for the year 1970 marks the beginning of a new decade. At this time we hope that man, including the students of East High, will educate himself, so that he will discover the beginning of a modern-day Renaissance, an enlightenment and opening of minds and hearts. At the close of the following ten years we anticipate the return of peace, harmony, and understanding among all men. May we the students of East High School take that one small step for man in self-education so that we may participate in that great leap for mankind.

With this thought in mind, we present the 1970 edition of the Sunrise.

I hope this year you
will treasure always
because to me it was the
best year to go to school
I had plenty of fun
with you and the rest
of the class as nice
and as well as you are
and be good to the guys.

Dedication

*to Terrie

Holt*

An alumna of East High School, this outstanding administrator is admired by the students and faculty alike for her continuous display of qualities of leadership and understanding. Her tremendous school spirit has strengthened the unity of the school and brought to East, a surge of pride in the school's accomplishments. Her faithful attendance of athletic events has motivated our teams to be victorious.

Prior to coming to East, she was a teacher of English at the old Tech High School. On January 12, 1955, she became East High's Assistant Principal. Since that time, the school has shown literally countless improvements, both in educational facilities and in building improvements. On March 1, 1967, she became East High's principal. Presently, she is editor and chairman of the Pennsylvania Council of Teachers of English Publications, and National Council of Teachers of English liaison officer.

We are truly proud to have her as our principal and hope that she will never leave the "Home of the Warriors" where she is respected by all.

The SUNRISE staff therefore, takes great pride in dedicating the 1970 SUNRISE to our leader, Miss Viola E. Andrews.

East High Administrators

Terrie,

Always remember the fun we've had over the ages. You had the school year is coming to an end. I won't miss school, I'll miss the fun. Remember all the fun we had the first three weeks of school in Mr. De Marco's study hall when you were supposed to be in pool? I remember. Stay out of trouble and be good to Tom.

In the future don't you and Tom do anything Jerry & I wouldn't do, and if you do name it after us. See ya around & have a nice summer.

I'll share him with you. I'm not selfish

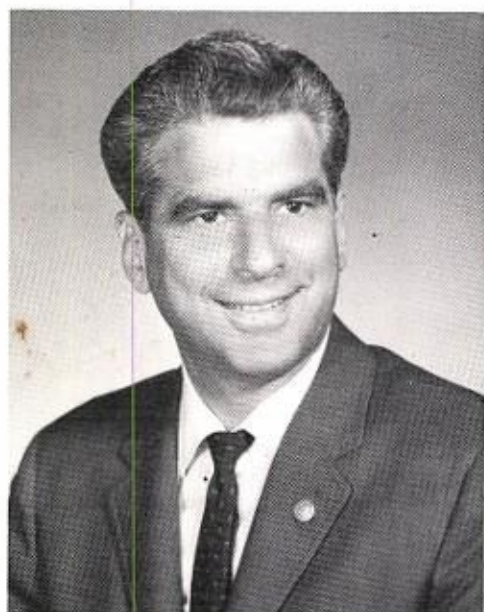

To the Class of 1970:

Time was when graduation looked far away and now, all at once, it is upon us. As you prepare to leave the halls of East High School, our good wishes go with you. I hope you continue the devotion to the ideals of service that the faculty of East High instilled in you; that you have the courage to face crises in your personal lives and in our perplexed world; that you discover the thrill of accomplishment in whatever you undertake; and that you lead useful lives and take your share of community burdens.

Sincerely,

Viola E. Andrews

Twins '70'

The class of 1970 is outstanding in many ways—and breaking records is one of them! For the first time in the history of East High School there are six sets of twins in the graduating class. There are two sets of identical twins who are girls and four sets of fraternal twins. Two really must be the lucky number of the class of 1970.

Kneeling: Kathy and Karen Bisbee, Muriel and Mary Moore, Carol and Lisa Lind. Standing: Janet and James Christoph, Marcia and Mike Sorek, Charlotte and Charles Matlak.

Reflections

We once walked into East for the first time . . .
 Now we are leaving, but our memories will never leave . . .
 When we first tread these halls, we were new, alone, almost afraid . . .
 Today, the halls are filled with smiling faces, reflecting the friendships we have formed through the years . . .
 Our teachers and fellow classmates will be fondly remembered . . .
 We hope their feelings about us will remain the same . . .
 We seniors anticipate the future, but at times will long for the past . . .
 As we enter the outside world, we will display the pride that was instilled in us while in school . . .
 It is our hope that we will be good representatives of our school's effort to prepare us for adulthood . . .
 We will always be proud to call East High School our Alma Mater . . .
 To everyone who made our school life more successful, from the administration, counselors, and teachers, to the nurse, cafeteria workers, janitors, and our underclassman friends who will be left behind, the senior class has only two words to say . . .

East High ended 50 years of football frustration by having its first undefeated team in the history of the school — thus accomplishing the impossible dream!!

The team adopted the motto, "Hustle and Crack", and that they did, steamrolling over nine consecutive opponents on the way to winning the City Championship, the Section One title, and the Lake Shore League championship, while earning the title Number One in the state and fourth in the nation. Determination, dedication, and unity of purpose characterized this team of champions.

Individual stars were many, but none could top the fantastic performance of Eddie Woodard. Aside from being a member of the All-State squad, All Scholastic in Erie, Golden Helmet Award winner,

Player of the year in Erie, and a member of the All-American High School Team, Eddie broke the all time scoring record in Erie, and averaged almost ten yards a gain per carry. He received a full four-year scholarship to play football at Kent University.

John Robb, our giant tackle, was All-Scholastic and a member of the "Big 33" Pennsylvania football team. Fred Williams, Nate Beard, and Woody Thompson also made first team All-Scholastic for their great performances. Dave Petack was chosen our "Mr. Hustle" and Jeff Satyshur was chosen the outstanding sophomore of the year.

Who will ever forget the great defensive play of Jim Gallegos and Joe Carr, the mighty mites of our defensive secondary, Sam Veneziano and Dave Vactor, the great line play of Don Evans and Odell

Graves, the goal line stand against mighty McDowell, the refusing to stay at the hotel in Lewistown, the fantastic assemblies which rocked the school with spirit and pride, and the pre-season football camp where the championship team was molded.

Woody Thompson was named captain of next year's team and along with Jeff Satyshur and Odell Graves, form the nucleus of another great team.

Supervising one of the greatest football machines Erie has ever seen was head coach Bill Brabender, whose coaching record at East High is 41-12. His assistants are Carney Metzgar, Lou Kwiatkowski, Art Amann, George Kaufman, and Jim Miller. Congratulations to the team and the coaches for starting a new half-century of football history as first in the state and fourth in the nation!

We had four wins under our belt and our gridders aimed to keep it that way, especially on homecoming night. The East fans at the stadium were charged with anticipation. Each player hustled onto the field with that determined feeling of destroying the opponent. Presiding over homecoming festivities was queen Rhonda Rudenski and her escort John Hamilton. Her attendants were Margie Kimmeth accompanied by Richard Potosnak and Becky Vactor escorted by Louis Watford. East High boosters and fans enthusiastically cheered on the team and witnessed another spectacular victory for the Warriors. Victory made the night a perfect ending for the team because they broke the record of defeats for the first time in 20 starts against McDowell. East's Eddie Woodard broke the city record in points scored and forced McDowell star Jeff Davis to relinquish his crown.

The 1969 Junior Varsity football team was able to maintain a respectable season to the tune of a 5-3 record. This was the sixth consecutive winning season for the little Warriors.

Four Warriors were chosen for individual honors. Tim Truitt received the most valuable lineman title, while Steve Bohun was selected the most valuable back. The most improved back was Mike Speros, and Bill Maniece was the recipient of the most improved lineman title.

Over fifty players turned out to participate this past season. Great spirit, cooperation, and all-around sportsmanship were characteristic qualities of the players. Fourteen lettermen, along with many new hopefuls, will return next season. Their goal for the 1970 season is the reversal of the three losses of this past season. Coaches Louis Kwiatkowski and George Kaufman expect the 1970 Warriors to demonstrate desire, competitive spirit, a willingness to pay the price, and a refusal to quit.

Although tending to run in hot and cold streaks, the varsity basketball team wound up the 1969-70 season with an 11-11 record. Starting off slow, the Warriors won only one of their first six starts, but they burst into action to win five consecutive games over Prep, Academy, Tech, Hickory, and Jamestown.

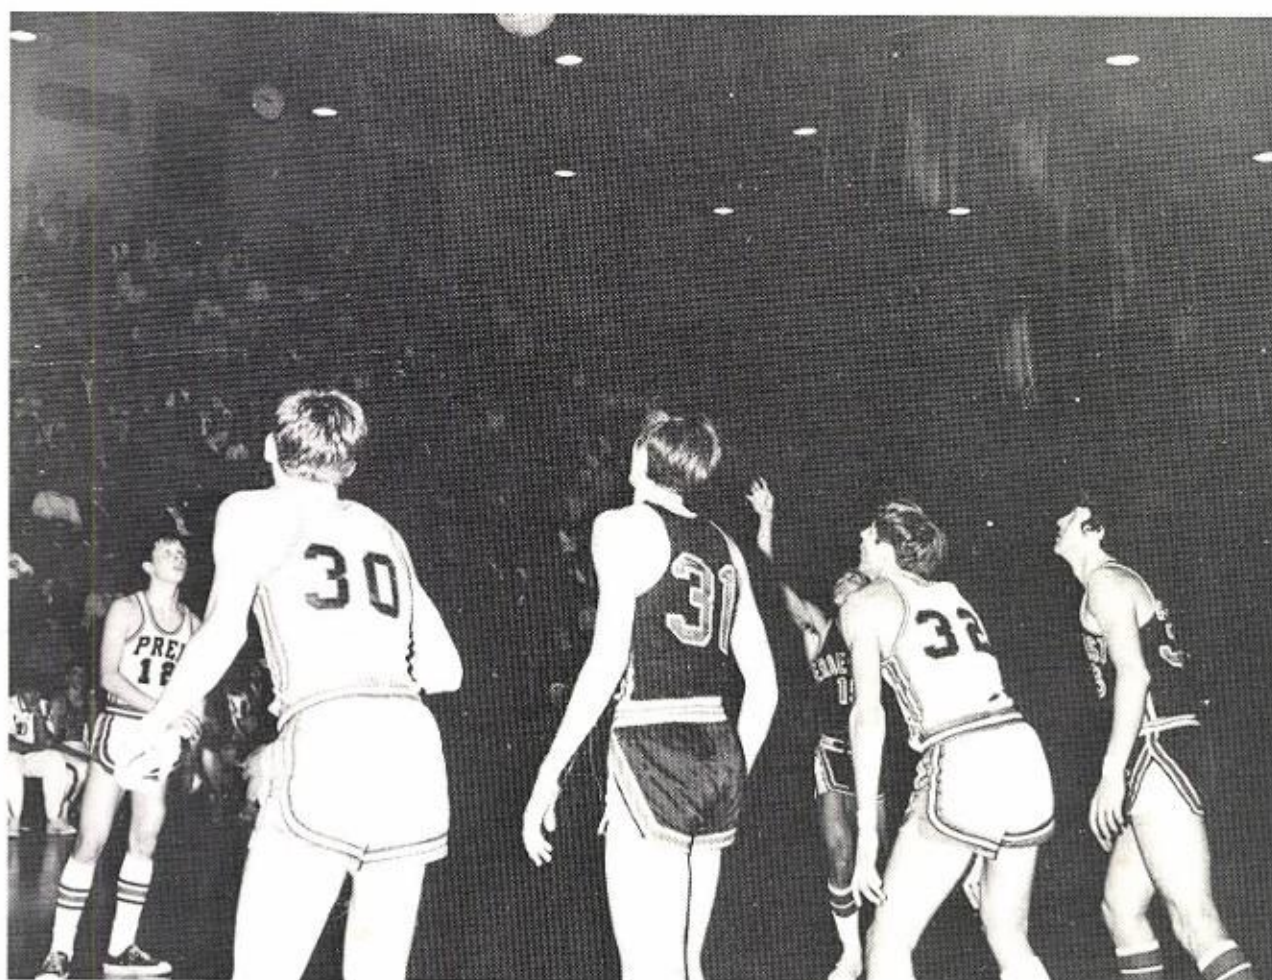

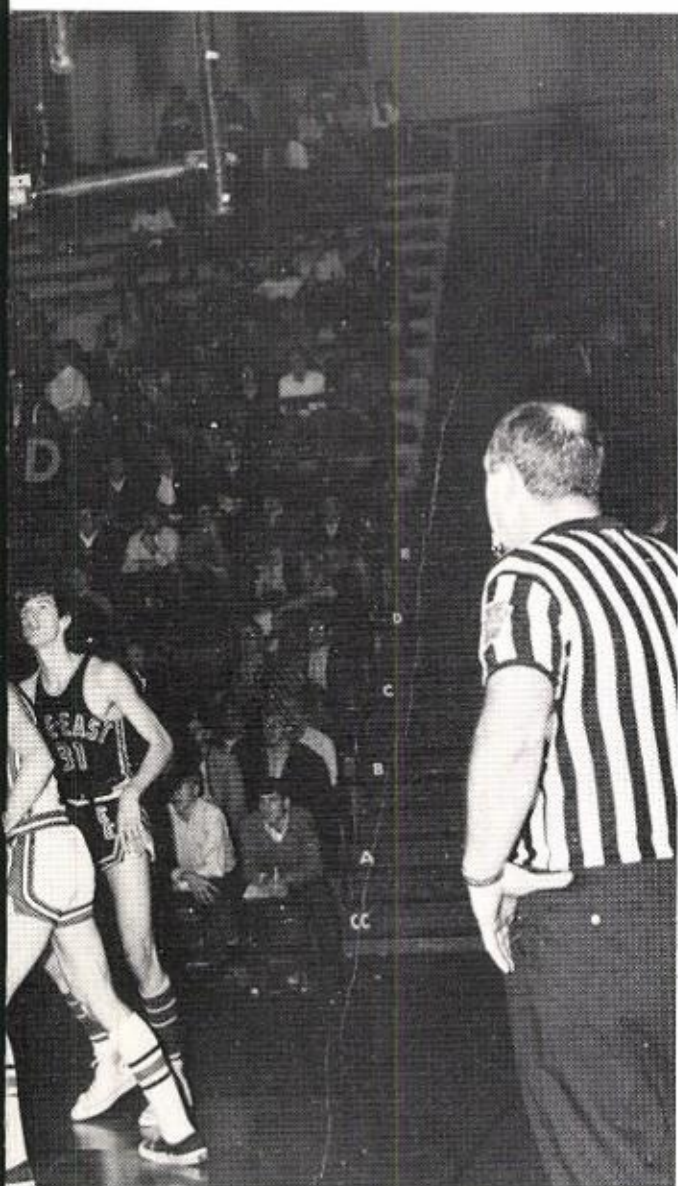

The starting lineup was inexperienced, but they had senior Eddie Woodard to lead the way. As the team's high scorer, he averaged sixteen points and eight rebounds per game. The only other senior in the starting lineup was Virgil McIntosh, who averaged eleven points per game. Jeff Satyshur a sophomore averaging ten points a game, copped the most improved player award for this season. Completing the starting five were Vaughn Hewitt and Blaine Baker. As boardmen, they did an outstanding job, for they pumped in an average of fifteen and eight points apiece per game. Vying for sixth man position were two aggressive players, seniors Jim Gallegos and Tony Wilcox.

Coach Carney Metzgar is looking forward to next season, in the hope that his team can make it four out of five for the District 10 title.

Junior Varsity Basketball

Row 1: J. Matta, R. Fortin, P. Boyer, B. Stravinsky, Mr. D. Kolakowski, coach; Row 2: M. Sorenson, manager, E. Griffith, T. Galla, T. Lee, L. Lininger.

Experience is usually considered one of the necessities for a successful season. With only two experienced players, Tim Galla and Bob Stravinsky, in the starting lineup, the Junior Varsity basketball team found a rough road to travel over this campaign.

Rich Fortin, Paul Boyer, and Lance Lininger were the other starters, while Everett Griffin, John Matta, and Tommie Lee completed the Junior Varsity roster.

Tim Galla led the Junior Varsity Warriors in scoring and rebounding. Tim broke Vaughn Hewitt's one game scoring record set last year with his 32 point effort against Strong Vincent. Bob Stravinsky and Paul Boyer were the top hustlers on the squad.

The 1969-70 Junior Varsity team gave all it could, but the lack of experience, height, and scoring power from the outside were hard to overcome.

With the experience gained this year, some of this year's team will become valuable assets to the varsity team during the next two years.

The superlative Junior High basketball team for 1970 achieved a record of 14 wins and no losses. This marks the second undefeated season for the Little Warriors as they extended their winning streak to 28 games.

The starting five included some of the best players in the city. Rich Gavin, the team captain, scored more than 200 points for the Warriors and also demonstrated quick hands on defense. The excellent rebounding of Dave Purdue helped to hold the opposition's score to a minimum. Jim Davis handled his responsibility of guarding the opponent's best big man in a more than satisfactory manner. Leading the team in assists was Charlie Allen, who always passed off to an open man under the bucket. Opposing teams were constantly hounded by the fine defensive play of Steve Bohun. Although substitutes Jerry Tate and Charlie Joyce possessed the potential of playing first team for any other junior high team but East, coach Jim Miller was very fortunate to be able to put these two men in and still have the team at full strength. Since all of the first seven except Dave Purdue are ninth graders, there will be many vacancies in next year's team. Coach Miller's loss will, however, be Varsity Coach Carney Metzgar's gain.

D. Evans, T. Truitt, R. Dixon, C. Dunn; Row 3: T. King, D. Law, V. Ferritto, W. Graves, A. Jones, J. Adams, B. Morrow, Coach H. Rafle.

Although East's wrestling team did not come out in first place this year, the boys did exceptionally well despite the many obstacles which they had to overcome. Although this was his first season as wrestling coach at East, Mr. Harry Rafle displayed great confidence and boosted the morale of his boys so that they did not give up when the going got tough.

The boys excelled as individuals, however, as in the lightweight division where Len Pamula and Ed Darr did well with Ed taking the second place in the city championship. Odell Graves and Woody Thompson also achieved victory by capturing the city championship in the 157 pound and heavyweight divisions. Woody has also been victorious in thirty-eight consecutive dual meet matches.

Mr. Rafle's team for next year, however, looks very promising with fourteen out of fifteen lettermen returning. It will take many hours of practice and hard work, but perhaps next year's team will prove to be one of the best in East's history.

Even though the 1969-70 Water Polo team did not capture any honors, they managed to attain a respectable record of 5-5 in the Lake Shore League and 3-5 in the City Series play. This was a remarkable accomplishment, since many of the tankmen were inexperienced. Refusing to buckle under two initial defeats, the poloists practiced to develop their hidden talents. Finally, with three games left on the slate, the team latched on to a winning streak by trouncing Jamestown, Academy, and Prep. If this feat is a preview of next season, Coach Turbaczewski will surely head a team vying to recapture the Water Polo crown.

The starting seven this year were forwards Gary George, Ken Simons, Chuck Tekotee; guards John Satyshur, Bob Plonski, Chuck Wasielewski, and goalie Mike Mazanowski. Gary George displayed all his winning determination in the contest against Academy, when he scored 10 of the 11 East goals. This action tied a city goal record and spurred the team to a three game winning streak, which helped the poloists earn a berth on the All-City squad.

Despite finding it difficult to muster up a strong attack against its foes, the East aquanauts did have their bright spots during the season. Gary George displayed great talent in swimming the 100-yard butterfly and the 200-yard individual medley. Fritz Garbaloff earned recognition by developing into one of the best divers in the city.

Although the team didn't seem much of a threat to opposing teams, they followed in the age-old tradition of East High by displaying undying spirit and good sportsmanship. If these qualities are developed properly, Coach Turbaczewski and his swimmers will swim on to great victory in the next season.

East's 1969 tennis team displayed undying courage this season with an excellent outlook for the future. Playing a total of twelve games, our team came out with a record of two victories, over Tech and Vincent, and ten defeats. Since the team consisted mainly of seniors, there will be no returning lettermen for next season's activities. The tennis team for 1970 will start out with one member of the junior class, Tom Radu.

"They've seen better days." That's what a sentence summation of the Warrior track team might be, since they finished the season with an 0-8-1 record and marked their first loss to Iroquois in track and field competition.

But there were bright spots in the 1969 schedule in the form of such team members as Thompson, Brown, Jaycox, Vactor, Laskowski, O'Rourke, and Lucas; but it took the city finals to bring out their best performance.

Woody Thompson copped first place honors in the javelin and 100-yard dash. Dave Vactor jumped for 10 East High points as he was tops in the broad jump and second in the triple jump. Distance runs were handled by Doug Brown, Bill Laskowski, and Mike O'Rourke, while the sprinters included Frank Jaycox and Doug Lucas.

The field events were the weakpoint of the otherwise successful team. John Robb was the East High entrant in the shotput circle and Bill Kwiatkowski competed in the discus event.

With almost every letterman returning, Coach Carl Filipowski looks forward to a successful season with a fully experienced team.

Finishing the season with a record of 12 wins and 4 losses, our cross-country runners were able to tie for second place in the City Series and Lake Shore League. Outstanding in the Warrior cause was Doug Brown who broke his own record and set a new school mark at 12:51 for the 2½ mile run. In this same category, Bill Laskowski followed with his best effort at 13:06.

Misfortune struck after mid-season when Doug Brown suffered a leg injury that kept him out of action. It was then that the clutch running of Mike O'Rourke and Dan Crotty proved vital in preserving the winning streak.

East High ended the 1970 schedule by participating in the Gannon Invitational meet and the District meet. Once again, Doug Brown demonstrated his talent by finishing 7th in the Gannon meet and 2nd in the District.

It had been 11 long years — and 12 days — before the Warrior golf team had ever won a match. The last time a win was recorded was 1958 and it took the last game of the 1969 season to do it again.

Congratulations are in order for Lee Stearns, captain of the team, Gene George, the Satyshur brothers, Jeff and John, Tom Stroz, Sam Veneziano, and Tim Pohl who were instrumental in the Warrior victory over Strong Vincent.

Other players who gave our team depth were Gary George, Mike Groucutt, Robert Lachowski, Fred Vamos, and Tom Markiewicz.

Mr. Charles Kent, whose coaching record now stands at 1-48-1, is very optimistic about next season, because there are five lettermen returning. All team members are eager to see if they can keep the winning streak alive.

Last year's baseball season looked a little like the "old" Mets with a record of 6 wins, 10 losses, and 1 tie. And, like the Mets, the Warriors were building a new team.

The "king of the stick" on the Warrior squad was Gordie Harpster with a .322 batting average. Virgil McIntosh, the second-sacker, was another player who gave opposing pitchers a lump in their throat. The rifle-arms of the outfield were the Puscher brothers, Manfred and Wilfred, and Chuck Woodard. For his hustle and all around great play, Don Klins was awarded the most valuable player award for the Warrior cause. Handling the mound assignment were Steve Ward and Bob Robson while Gary George acted as catcher.

In the coming season the Warriors are sure to look like the "new" Mets with the nucleus of a great team returning.

Boys' Bowling

Alphabetical Order: S. Briggs, T. Collier, S. Cooper, G. Elles, D. Ford, J. Ford, W. Gerald, H. Golembeski, D. Grotkowski, M. Hawrylew, K. Johnson, T. Johnson, N. Krugger, R. Kuhar, C.

This year, East bowlers returned in full force for the battle between man and pin. Meeting every Thursday at Eastland Bowl, the kegler's matched skills against each other. No team possessing first place held a big lead in the standings. The same was true for individual statistics.

The officers were Wil Puscher, President; Ed Root, Vice-President; Steve Mook, secretary; and Don McMahon, treasurer. Under the direction of faculty advisor Mr. George Simitoski, the bowlers developed the quality of good sportsmanship.

East High also had an entrant in the Open House Tournament. Members of this team included some of the best bowlers in the league. Captain Don Grotkowski and his teammates proved to be tough competition for the other participants in the race for the title.

In order to participate in any sport, two things are essential — strength and speed. The East High Weightlifting Club tries to develop both speed and strength. Besides developing individual strength to participate in local and national tournaments, it also stimulates our own sports program.

The junior high members met every Tuesday and Thursday, while the senior high met Monday, Wednesday, and Friday.

The group's advisor, Mr. Seth Bloomquist, holds a city record in the 132 pound weight class with a deadlift of 445 pounds. He and the members of the club deal mainly with the four basic lifts — deadlift, squat, bench press, and the military press.

This year the hefters had the advantage of working with a new power rack located in their own practice room in the new annex.

Rolling along every Tuesday afternoon at Eastland Bowl were the members of the girls bowling team, under the direction of Mrs. Betty Peyton. Elected officers of the 1970 bowling squad are Jeanette Dahle, president; Autumn DeForce, vice-president; Linda Hamm, secretary; and Rhonda Rudenski, treasurer. The high game award was taken by Linda Hamm with a 224. High average award was taken by Jeanette Dahle with a 569. Teammates Marcia Sorek, Debbie Moore, Nancy Dusckas, and captain, Jeannette Dahle managed to cop first place with their combined talents.

Girls' Gym Helpers

Ten is the magic number in the girls' gym classes, because ten girls assist Mrs. Davis as gym helpers. They help her in performing such activities as taking attendance, demonstrating exercises, and acting as referees in games. Sophomore Carla Sipple enjoys helping out so much, that she volunteered to help in the gym for one period everyday. It seems like enthusiasm is the pass word in the girls' gym classes this year.

Girls' Basketball

Every Monday, thirty-four girls met under the guidance of Mrs. Davis to "shoot some hoops." Many of them were good at it but the main reason for playing was just to have fun. Some standouts were centers Terrie Letkiewicz and Crystal Petack, forwards Virginia Rapp and Phyllis Burns, and guards Sandy Gangemi and Janet Przybyszewski. The highlight of the season is the game with the Junior Varsity team.

Girls' Volleyball

Twice a week after school there is a flurry of action in the girl's gym as twenty-five girls from grades 9 through 12 participate in intramural volleyball games. Outstanding members are Crystal Petack, Virginia Rapp, Becky Vactor and Renee Allen who is captain of the entire squad. The girls, who compete among themselves, hope to take on other adversaries next year.

This year the girls intramural swimming club reorganized itself with new advisor Mr. Pat Hart, East High's pool teacher. The group consists of about thirty-five girls who meet twice a week to learn the technique of competitive swimming. Eventually the girls hope to challenge teams from Academy and Strong Vincent.

Another first in girls' sports at East High was the formation of a girls' tennis team, under the direction of Mrs. Margaret Davis. The girls wanted something that they could participate in with a feminine touch. The team was composed mainly of sophomores and juniors. One of the high scorers, Teresa Burns, has an excellent swing and good footwork. They competed against Vincent and Iroquois with the result of one victory and one defeat. This spring the girls hope to take on more opposition on the courts.

Model U. N.

To intelligently understand and discuss current social, economic and political conflicts that exist in the world was the primary objective of the Model United Nations this year. Advising the twenty-six member group was Mr. Robert Stinely. On November 22 and 23, twenty seniors represented the country of Spain at the model General Assembly, held at Gannon College. During this two-day seminar, students from tri-state area schools met at Gannon to debate the five major topics which were: the Mid-East crisis, the problem of world disarmament, social, economic and military use of the seabed, the Vietnam conflict, and finally, the question of weighted voting in the General Assembly. Spain was also chosen as a temporary member of the Security Council.

D. A. R. Award

Annually, a girl from the senior class is awarded the **Daughters of the American Revolution Award**. Selected this year for this singular honor was Lillian Schwartz. She was chosen for this award on the basis of the following characteristics: dependability, punctuality, loyalty, truthfulness, cooperativeness, courteousness, and consideration, as well as leadership, patriotism, self-control and personality. The Presque Isle Chapter awarded Lillian the D.A.R. Award which enabled her to qualify for a scholarship applicable to the college of her choice.

Garter And Suspender Award

Selected to receive the 1970 Garter and Suspender Award for demonstrating qualities of honesty, character, leadership, personality, and appearance were seniors Lillian Schwartz and Sam Veneziano. This traditional handing down of the garter and suspender to two members of the junior class by two seniors who previously won the award has been carried on for the past 26 years at East High.

Student Council

This year, Christmas cheer really rang out as the Student Council "Deck the Halls" contest got underway. Some of the homeroom door decorations were considered "out of this world", but special recognition went to Miss Behan's senior girls' homeroom 211, a group of girls who placed first with their ingenious "Peace on Earth" door decoration.

This year also saw a newer and more active Student Council. The method for choosing representatives was revised for both the junior and senior high groups. Teachers in each grade nominated three candidates who possessed the characteristics of school consciousness, academic standing, and the ability to work together. The names were then tallied by the officers. The majority of times a name appeared on the nomination sheet determined the position.

Business Club

Under the direction of Mrs. Catherine Comstock, the girls of the East High Business Club held a candy sale for the purpose of raising enough money to take a trip to Buffalo, New York. Their goal was quickly accomplished and, on December 12, 1969, forty-eight girls, Mrs. M. Duncan and Mr. J. Kola went to Buffalo to visit Bryant and Stratton Business Institute and the Federal Reserve Bank. As a result of this trip, five of our East High Girls are making plans to attend Bryant and Stratton.

This project was just one of the many sponsored by the club, which proves to be of great value to all business-minded girls. According to Mrs. Comstock, the girls' hard-working advisor, the purpose of the club is to give a girl as many actual experiences as possible and to acquaint her with modern business procedures.

Row upon row of scarlet and gray . . . a flutter of multi-colored flags . . . the measured strains of "The Battle Hymn of the Republic" . . . a sharply executed drill pattern . . . and a touch of Warrior pride . . . that was the 1969-70 East High Marching Band!

Caught in the upsurge of accompanying a spectacular football team, the sixty-seven member band, under the direction of Mr. Walter Baran, helped to motivate the spontaneous school spirit that marked each of the school rallies.

Enthusiastic performance was the key to the band's showmanship this year. Our band appeared in the Veteran's Day Parade and the Zoo Parade, as well as the Memorial Day Parade. The band topped off their season with their annual Spring Concert. Added to these activities was the band's successful drive to raise money to buy new uniforms. Bamboo jewelry, silver trays, and book covers were among the items sold to raise money.

Adding a dash of color to half-time performances were the members of the newly-formed color guard who carried the school colors of the Big Six teams.

Enthusiasm, hard work, and determination were the characteristics of these true performers.

Varsity Cheerleaders

Enthusiasm, spirit and hard work distinguished the East High Cheerleaders this year. The cheerleaders backed the football and basketball teams with cheers, chants, and creative pom-pom routines. These activities not only encouraged the team but also gave the student body more spirit and participation which was needed to achieve victory.

To prepare for the 1969-70 season, this summer Nina Semczuk, Lillian Schwartz, and Robin Peters attended a week long cheerleading camp at Williamsport, Pa. where they learned new cheers, routines and yells.

This year the Varsity cheerleaders sold East buttons, and cookbooks to raise money for new basketball uniforms and rain jackets.

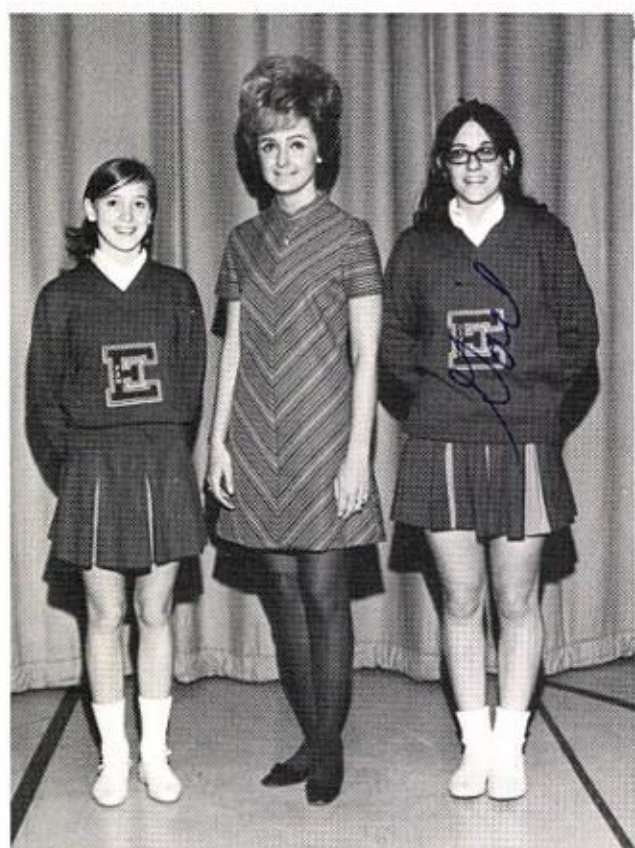

Leading the Varsity Cheerleaders this year were Co-captain Pam Zales, advisor Mrs. F. Halupcznski, and captain Nina Semczuk.

P. Grace, Captain; Mrs. Davis, Advisor; K. Wallis, Co-Captain.

Precision and talent marked the East High twirlers in their performances throughout the 1969-70 school year. During the first week of July, the twirlers met twice a week to perfect and create new routines. Led by captain Paula Grace, the twirlers marched in the half-time shows during football and basketball seasons and in the Memorial Day, Veterans' Day, and Zoo Parades. To help raise money for new uniforms, the twirlers sold East High stationery, and had three successful bake sales at the Erie Mall.

Because their reputation is held in high esteem, new members are chosen on the basis of honesty, integrity, self-discipline, sound moral character, and above average intelligence.

Tom-Tom Staff

The Tom-Tom Staff of 1969-70 enjoyed another successful year in producing the school paper. This year the Tom-Tom was faced with training a completely new staff but still the staff and Mr. J. Nelson, advisor, came through with a series of informative papers.

Ambition was the main force behind the members of the 1969-70 Red Cross of East High. In the month of December, the members entertained the patients at the Western Reserve Convalescent Home and later at the Veterans' Administration Hospital. During the year the group raised money and bought school supplies to fill a Red Cross Chest for needy students in Vietnam.

The faculty advisors this year were Mrs. Mary Duncan and Miss Carol Kaminski. The officers included president Jill St. Pierre; vice-president, Connie Dusckas; secretary, Patty Senita, and treasurer, Wanda Obolewicz.

 Well, I should
 guess I should
 write something
 nice to my sister-
 in-law (to be). It is
 going to be hard, but
 I'll try.
 Fast think of the
 future when we both will
 be Mrs. Hymmecki. I can't wait.
 I think though I love one, and you love
 just great. And I better write the usual stuff: Love.
 one too. How about that? Well, I better write the future with
 Best of luck in every thing you do. Have a beautiful
 wedding - I don't do any thing. I wouldn't do.
 Good luck in every thing you do. Have a beautiful
 wedding - I don't do any thing. I wouldn't do.

10 a nice girl Terrie & Tom

Janet 1977

Try to be one nice kid.
Be good and stay
sweet. Larry

Don't
be afraid
to speak up
with
your words
of peace. Look
back on the
future.
See it
